

'VIRTUAL' SPRING BEER FESTIVAL - MARCH 2020

Welcome to our Spring Beer Festival which has now gone 'Virtual' in the wake of COVID-19. Unfortunately, due to this last minute decision, we will now not be showcasing the beers from East London Brewery apart from the collaboration brew Transit of Venus which is making its debut.

Please find a list of the following beers and ciders which will be available over the next 2 weekends in a take away capacity using 2 and 4 pint containers. Beers marked with an asterisk are also available to order in 9, 18 & 35 Pint Polypins. We will also be selling festival mixed cases of 12 bottles. Not all beers will be available at all times.
